

Introduction:

The new Enzo range from Inta is a real best seller. Beautifully subtle curved lines and simple form belie the technology that is packed into each shower. Enzo is both safe to touch during operation and thermostatically controlled so that it protects from delivering water that is hot enough to scald.

Features

- Thermostatic Anti-Scald Protection
- Safe Touch Body
- WRAS and TMV2 Approved Valve
- Large Overhead Soaker
- *Deluxe Option Available
- Telescopic Riser
- Adjustable Fixing Points For Riser
- Push Button Handset with Facial Spa Spray and Pulsating Massage Function

Product Range

Description	Code
Enzo Safe Touch Thermostatic Bar Shower with Adjustable Riser, Overhead Soaker and Push Button Handset	EN10032CP

Enzo showers have been accredited TMV2 approval from BuildCert where you see this logo.

The constant circulation of cold water under the surface of the valves ensures the surface will never be hot to touch.

All Enzo bar showers feature inta's proven anti-scald thermostatic technology.

Enzo showers have been approved by WRAS where you see this logo.
