

QUARYL®

Beauty for eternity

The very first touch is mesmerising. Being silky smooth as well as nice and warm against your skin, Quaryl® bathroom products are perfect for making you feel good. And even their designs make a lasting impression. Find inspiration in the timelessly clear and precise design that is only possible with Quaryl®. Robust surfaces and durable quality will make your bathing and shower experience perfect.

Durable and robust

- + Very shockproof and scratch-resistant
- + Above-average strength and durability
- + Unique shine that will last for many years
- + Lasting colour stability and UV resistance
- + 10-year guarantee

Easy to clean and hygienic

- + Smooth, non-porous and closed surfaces
- + Quick and easy to clean
- + Less susceptible to dirt

Versatile and precise

- + Exceptionally delicate shapes
- + Precise edges, small radii and exact dimensions
- + Perfect for flush-fitting installation e.g. of whirlpool nozzles
- + Range of glossy and matt colours

Comfortable and safe

- + Very warm and skin-friendly surfaces
- + Excellent thermal insulation keeps the bathwater warm for longer
- + Highest slip resistance (TÜV/LGA tested) for matt Quaryl® surfaces
- + High sound insulation: Quaryl® surfaces absorb sound, e. g. when water from the spray head hits the shower tray
